

TECHNICAL FEATURE

5NK 91NBDC 00 P95

The + :

- Ergonomy and design
- Eliminates the fatigue
- Polyvalent
- Auto-adaptive
- Ecologic
- Secured positioning

KONCEPT SEATS / WOOD

Black steel, 5-branch, scuff-resistant, reinforced base with casters locked under load

Black gas-lift column with height adjustment from 485 to 620 mm

and shock absorber

Deformable seat in multi-ply beech wood, tilted of 2° forward, with anti-slip black varnish

Assembly on silentbloc. Auto-adaptive system in the movements of the user

Lumbar support in multi-ply beech wood, with anti-slip black varnish, adjustable in depth
